Differentiated Instruction

Differentiated Instruction is when educators intentionally create environments and lessons that:

Teach students what they need to know, when they need to know it, and in ways that suit THEIR learning need.

The facilitators for Differentiated Instruction are educators who will train instructional leaders in Differentiated Instruction strategies with the intent of improving core instruction at participating schools/district.

Workshop Series

The DOE is coordinating with the LESCEN network to bring a Differentiated Instruction workshop series to each regional professional development center. There will be 5 full day workshops offered throughout the 2010-11 school year.

CHECK YOUR LOCAL CENTER FOR DATES.

- Session 1—Fundamentals
- Session 2—Assessment
- Session 3—Strategies
- Session 4—Routines/Unit Planning
- Session 5—Training Toolbox

At the end of the Differentiated Instruction workshop series, you will understand how Differentiated Instruction interfaces with Response to Intervention and be able to:

- identify learning/teaching styles to inform teaching
- demonstrate and coach the use of assessment to drive instruction
- teach how to plan and create a DI lesson
- apply research based instructional practices

Who should attend?

School/District Teams including

- Principals
- Department Chairs
- Instructional Coaches
- Lead Teachers

As a result of participating in this workshop series, participants will be equipped with the tools to offer professional development and be able to coach teachers in the differentiation of instruction. This will be a train the trainer model supported by technology. Participants selected should be experienced in instructional leadership.

Individuals are welcome base on available space.

Registration Fee

The cost for participation is \$150 person for the workshop series.
